Product Summary

- Mit 50 % Aloe Vera - Intensive moisturizing for the sensitive eye area - Helps to prevent dryness

Reduces eye rings and tear-bags

Article Number: 20677-101

Content 15 ml

Product Description

Aloe Vera Eye Cream Vitalising And Invigorating!

Light texture for the sensitive eye area. Provides intense moisture and nourishes with Bio olive extract. Helps prevent the first dryness, soothes eye rings and tears. With 50% aloe vera.

Type of Application

Gently dab under the eyes morning and evening.

Recommendation:

Apply the aloe vera eye cream prophylactically and for dry skin twice a day after cleaning and care.

Application:

Knock the cream with the pointer finger

Around the eye slightly, do not rub. Only this way can the Aloe Vera Eye Cream penetrate optimally into the skin.

Information On Ingredients

Haloxyl® makes the eyeparts look fresher. It is Combination of the olive extract and peptides added.
