Product Summary

- Can support the preservation of the connective, cartilaginous and bone tissue
- Can contribute to more agility - With vitamin D, E and manganese - Perfect supplement to Aloe Vera Drinking Gel Freedom

Product Description

Freedom Plus Capsules - Freedom means movement

Freedom Plus contributes to more freedom of movement. The product can support the preservation of the connective, cartilage and bone tissue and their elasticity. It also contains important nutrients such as vitamin E and D and is lactose- and gluten-free. Freedom Plus is the perfect addition to Aloe Vera Drinking Gel Freedom.

How to use Freedom Plus Capsules

Take 2 x 1 capsule daily. The recommended daily intake should not be exceeded. Look for a varied and balanced diet as well as a healthy lifestyle. Keep product out of reach of small children.

Expert Tip

The Aloe Vera MSM Body Gel is an ideal addition to LR's Freedom products. Willow bark extract and bear tumbler leaves make you feel good again after stress.
