Product Description

Lr Aloe Vera Sun Complete Set For Whole Family

Whether sensitive or pre-tanned skin, the Lr Aloe Vera Sun Care products from this set offer the right protection for every requirement.

The Lr **Aloe Vera Anti Aging Sunscreen with SPF 20** protects the face, neckline and neck during sunbathing. It can preserve the most delicate skin spots before early light-induced skin aging.

The cooling Lr **Aloe Vera Sun Gel Cream SPF 20** provides protection and cooling at the same time. It is ideal for pre-milled skin and is easy to apply. Moreover, it is water-resistant and non-tacky.

The supple Lr **Aloe Vera sun lotion** with medium UV protection SPF 30 protects the skin against UV rays and maintains it with 40% Aloe Vera. The smooth texture is easy to spread and feels pleasantly light.

The Lr **Aloe Vera Sun Cream** with a high light protection factor protects the skin with SPF 50 and is particularly suitable for sensitive skin types and children. Without dyes, but with 40% Aloe Vera you protect your skin very consciously.

The practical Lr **Aloe Vera Sun Active Spray** is quick and easy to use. Shake, spray, spread easily, let's go!

The Lr **Aloe Vera After Sun Gel Cream** cools and maintains the elasticity of the skin after sunbathing. With 70% aloe vera and shea butter, it provides the sun-drenched skin with intensely nourishing ingredients - for delicate, supple and healthy tanned skin.
